## MAYOR'S MESSAGE

*Our Lord has written the promise of resurrection, not in books alone, but in every leaf in springtime.*

Martin Luther

Ahh, Springtime, as I write these words, springtime is only three days away! Already the crocus' and daffodils are beginning to bloom. All in all I guess we can't complain too much about the (I hope) past winter. We surely had some cold weather in December and January but February and March has been kind to us. Make sure you get outside and spend time in the most wonderful season. Enough about the weather. We have been busy around City Hall since I last wrote. We have prepared a budget for Fiscal Year 2012 (7/1/11-6/30/12) and was able to balance the budget with no tax rate increase. We have updated our election rules. I have appointed a couple boards to help with city functions. We still need a volunteer to serve on the Parks & Recreation Board. If you have interest or want to find out more call, Rec. Director, Bob Mitchell at City Hall (410-751-1100) or me (410-984-8960). We have also been busy planning for the end of the Streetscape project. A big celebration is planned for September 17th. BUT the Good News is we should have the

## PUBLIC WORKS DEPARTMENT

### YARD WASTE

The Public Works Department will again pick up grass clippings on Tuesdays. You must call the City Office before 3 p.m. on Monday to schedule for pick up. Please place your bags at the curb by 7:30 a.m. Grass clippings must be placed in paper or kraft bags only. Please limit the weight of bags so they can easily be lifted for loading and unloading without bag breakage. This service is limited to grass clippings only. Please do not dispose of dirt, sod, thistle, or household garbage. Currently there are no charges to Carroll County residents for disposal of yard waste, at the Carroll County Landfill in Westminster (410) 386-4550.

### STORM WATER DRAINAGE INLETS

Please do not sweep or blow grass and debris into the street. This practice can block downstream storm water inlet grates causing storm water to backup into the street, creating flooding conditions.

Also, please report anyone seen dumping materials into the storm water drainage system, by contacting the Taneytown Police Department (410-751-1150) or the City Office (410-751-1100). It could be contaminating our environment.

### BULK TRASH

Saturday, May 14, 2011: From 7 a.m. to 1 p.m., the City will provide compaction trucks and dumpsters at Taneytown Memorial Park for the removal of bulk trash. Citizens are asked to observe the following procedures:

- Citizens will be responsible for bringing their trash to the park for disposal.
- All persons who are dumping material will be required to show proper ID

to the attendants, before they can drop off their items. Only citizens of Taneytown will be allowed to dispose of trash. All others will be turned away.

- Please do not leave trash in the park after hours specified above. The trash disposal service will only operate during these hours.
- Vehicles transporting bulk trash for disposal must be limited to passenger vehicles and pickup trucks. Larger trucks should haul their items directly to the Carroll County Landfill.
- All items containing oil and/or gas must be drained.
- The attendant will direct you to dedicated dumpsters for metal items and appliances only.
- There will be one compaction truck designated for all other acceptable recyclable items, which includes little tyke play equipment, plastic trash cans, etc.
- To keep the flow of traffic moving, all recycling items should be separated before entering the drop-off area.
- Dirt, sod, yard waste, tires, propane tanks, batteries, paint, or chemicals of any type, will not be accepted.

This will be the only bulk trash event for 2011, so please have your unwanted items ready for disposal this spring.

### TRASH & RECYCLING SCHEDULE CHANGE

Due to the Memorial Day Holiday, collection will take place on Thursday, June 2, 2011 instead of Wednesday, June 1, 2011.

## MAYORS MESSAGE

(Continued from page 1)

project completed well before then. Our target date for completion is still sometime in June. We are about 90% finished. All we have left is really the down town with curbing and traffic signals to be installed at Trevanion and E. Baltimore St and Baumgardner and E. Baltimore St. Again I want to thank everyone for their patience and understanding during this project. This was the biggest Streetscape project ever taken on by the Maryland State Highway Department. While they have the authority to "call the shots" during the construction, they have been very responsive to citizen requests. Please keep your comments coming!

In addition to the "Big Shindig" to be held in September, there are a couple of other big events coming right up. On May 21st we will hold our annual "Swing Into Spring" event. This year's event will be bigger and better than ever. Thanks to Cynthia Lamirande and her committee for all the work it took to put this together. Read more about it in this issue of the Taneytown Record. The Big News is that its time to elect folks to represent you on the City Council (two members are up for election) and as your Mayor. I have enjoyed my term as your Mayor for these past four years and have been proud of what we have been able to accomplish. I guess this could be my last column for the Taneytown Record (depending on the outcome of the election) but I have truly enjoyed visiting with you this way. The front page of this paper is full of all the election details. Remember to get out and VOTE, Election day is Monday, May 2nd. If you are a registered Maryland voter, you are eligible to vote in the City's election. If you have an interest in running for city office, all the instructions on how to file are in the related article. Be sure to read it over!

In closing I want to take a moment to share some thoughts about the recent tragedy in Japan. The devastating earthquake and resulting tsunami have de-

## SANITARY SEWERS

The City of Taneytown makes every effort to be responsive to a resident's needs and concerns when a sewer backup occurs. As with many other municipalities, the City cannot assume responsibility for sewerage and water damage caused by sewer backups. The City routinely cleans and televises sewer mains. Unfortunately, because a sewer is not a closed secured system, many things put into the sewer can clog the system. Factors that can cause backups are: grease, disposable diapers, tree roots, and other foreign items disposed of through the sewer system. These items should be discarded in your household garbage.

stroyed a large portion of this country. You may not be aware, but Taneytown has a special connection with this part of Japan. Back in May of 2005 a delegation from Sendai Miyagi, representing the Urban Renewal Commission of Japan, visited our City to view what we have accomplished as part of the National Main Street program. Our visitors were shown around the downtown and toured City Hall. We then gathered for lunch at Antrim 1844 Inn, where discussions continued regarding our success in the National Main street program. During this occasion, then Mayor Robert Flickinger proclaimed Sendai Miyagi a "Sister City". Sendai Miyagi took a direct hit from the tsunami and much of the city was destroyed. We as a City are anxious to help and are formulating plans at this time. Please visit the City's web site to see how you may help ([www.taneytown.org](http://www.taneytown.org)). My suggestion is that we direct any aid to the City of Sendai Miyagi or the Urban Renewal Association of Japan ([www.urca.or.jp/](http://www.urca.or.jp/)). Please keep all those effected by this disaster in your thoughts and prayers.

## URBAN RENEWAL COMMISSION FROM JAPAN STUDIES TANEYTOWN'S URBAN SUCCESSES

*From the Spring 2005 issue of the  
Taneytown Record, written by  
Patricia A. Bianca*

On May 5, 2005, Taneytown was visited by several members of the Urban Renewal Coordinator Association of Japan (URCA) from Taneytown's sister city of Sendi Mayaki, who toured the town and spoke to several of our Main Street and City Officials about Taneytown's own urban renewal projects.

The group consisted of an architect, a construction specialist, several urban planners and their interpreter, all of whom were in Maryland for the National Main Streets Conference, which was held in Baltimore May 8 through 11, 2005.

Representing Taneytown at the meeting were Taneytown Main Street Board Members and Officers John Myers, Nancy McCormick, Chris Ruppert and Jim Weiprecht, Zoning & Code Enforcement Director Aaron Valentino, Mayor Robert Flickinger, Carroll County Office of Tourism Director Barbara Beverungen, local entrepreneur Gail Wilson, local historians Helen Gorman and Tyler Boone, Mayor Pro Tem Jim McCarron, Police Chief William Tyler and local artist Roland Coney. Kevin Baines and Glenda Odman of the Maryland State Main Street program were also on hand.

URCA Managing Director Keiji Sato indicated that the group was particularly interested in Taneytown because it has been recognized as being particularly successful in its renewal efforts. He and his group hoped to bring several such success stories back home with them to Japan.

After the presentation of gifts, introductions and initial discussions about the genesis of Taneytown's Main Street program, its implementation and future planning issues, Taneytown Main Street Chairman Jim Weiprecht outlined some

## CONTINENTS APART YET BONDED THROUGH OUR HEARTS

In May of 2005, Taneytown was honored to host the Urban Renewal Commission of Japan from Sendai Miyagi; this honor was bestowed upon us by the National and MD Main Street programs because they felt we had similar issues in size, keeping our historical character along with great volunteers and because Taneytown Main Street was recognized as particularly successful in its downtown renewal efforts at that time. The Commission sent six repre-

of the successes that the program has resulted in for our town. These successes include the reduction in turnover of businesses downtown, the increased amount of foot traffic, the large amount of Main Street program volunteers (40) and the new openness and strong sense of community that is now prevalent in the downtown area as compared to pre-Main Street days.

Taneytown's Main Street Treasurer Chris Ruppert then fielded questions regarding budget issues and the success of fundraising projects such as our annual dance and the ad revenue generated by The Taneytown Record, both of which impressed the visitors very much.

The commission was also impressed with the artwork of local artist Roland Cooney, who was on-hand with his handmade sculptures of Japanese Anime characters, and with the architecture and the businesses they encountered on their brief tour of Taneytown's downtown area, which was hosted by Helen Gorman of the Taneytown Heritage Committee.

sentatives including Director of the Commission. After presentation of gifts and a proclamation from the Mayor of making Sendai a sister city, discussion was held regarding planning issues, volunteers, budgets and fundraising. The group had lunch at our premier bed and breakfast, Antrim 1844 and then toured our various businesses. It was an enjoyable day for all. The following day, we met them in Baltimore at the National Main Street Conference where they were guests

at our table.

Why are we talking about this- it is because Sendai was the main target of the recent tsunami, and many lives were lost. We are in the process of finding out how we and you can provide contributions. Please keep a watch on our web site [www.taneytown.org](http://www.taneytown.org) along with the Comcast Channel 19 bulletin board - Taneytown site.

## REGISTER YOUR AMERICAN CANCER SOCIETY RELAY FOR LIFE OF TANEYTOWN TEAM TODAY

The American Cancer Society Relay For Life of Taneytown held at Carroll Vista gives everyone in the community a chance to help the organization save lives and create a world with less cancer and more birthdays. Register your team today by visiting [www.RelayForLife.org/Taneytown](http://www.RelayForLife.org/Taneytown) or by contacting American Cancer Society Community Manager Jen Burdette at 410-781-6907 or [jen.burdette@cancer.org](mailto:jen.burdette@cancer.org).

Former and current cancer patients, those who have lost a loved one to cancer, families, friends, businesses, faith-based and civic organizations, clubs, schools and anyone wanting to make a difference in the fight against cancer are invited to take part in this exciting team event. Relay For Life takes place from 10:00 a.m. - 2:00 p.m. on Saturday, June 11, 2011 at Carroll Vista.

Last year's Relay For Life of Taneytown had 11 teams with over 175 team members participate and raised over \$21,000 for the American Cancer Society. This year, the goal is to have at least 15 teams participate and to raise at least \$25,000.

Relay For Life events are typically 12-hour overnight events but we do a "mini" daytime version here in

Taneytown. Teams have a goal of keeping at least one team member walking the route at all times during the 4 hour event. Teams are typically made up of 8-15 people.

Teams do most of their fundraising prior to the event, but some teams also hold creative fundraisers at the Relay. Relay brings together people of all ages and from all walks of life - all aimed at furthering the American Cancer Society's efforts to save lives by helping people stay well, by helping them get well, by finding cures and by fighting back.

"Relay For Life draws attention to the progress being made in the fight against cancer," said Jen Burdette, Community Manager for the American Cancer Society in Carroll County. "Many participants are our family, friends, and neighbors who have faced cancer themselves. Their involvement helps bring hope that, together, we can elimi-

nate cancer as a major health problem."

Anyone who would like to volunteer at the event, who would like to form a team or who would just like to learn more about the event is invited to attend one of the Relay's monthly meetings

which are being held on the first Thursday of each month at 6:00 p.m. in the Carroll Vista Clubhouse.

## TWINCREEKS KENNELS HAPPENINGS

It has been beautiful weather for the last couple of weeks, a little damp but for the most part you can see signs of spring all around. We are really looking for all the pretty colors to start sprouting here at the kennel.

We have made a lot of new friends the last couple of months and look forward to having them all come again for a pleasant stay. Tom's English Spaniel is a gorgeous chocolate & white who really sported his stylish cut for the spring season and let's not forget Mike's little Shih Tzu was really strutting his stuff after his bath and grooming, so sweet.

Seems Flea & Tick season has already started, please get you dogs and cats ready. Also, seems those pesky,

"stink bugs" are returning. Get your mixtures ready to exterminate these annoying creatures.

Jasper & Jasmine came for another short stay as their owners had to make a quick trip to Texas for a family emergency. Let's hope all settles happily for them.

I would also like to give a word of thanks to the Middle Brook community and the folks behind them all the way over to Roberts Mill Road. Cub Scout Troop 718 did an excellent job collecting nonperishable items for the food drive in early March from a lot of these wonderful folks. Now you know why the Kennel truck was driving so slow in your community. We collected nearly 500 pounds that day and delivered it to Westminster Food Bank for them. Way to go everyone!

As Always...Pam

## WHERE WERE YOU ON SEPTEMBER 11, 2001?

I'm sure you and every American remember where you were the day America was attacked and the horrific events we witnessed.

Members of the Hesson Snider American Legion Post 120, Taneytown, MD are organizing an event entitled 9/11 A Day To Remember to bring people together, and to reflect on how we felt that day. We want to acknowledge the innocent and unsuspecting civilians whose lives were taken as well as honoring the public service personnel, and First Responders. It is our hope that everyone, both young and old will remember the collective spirit that swept our country days, weeks, and months after the worst terrorist attack in US history.

This event will be held on September 11, 2011, marking the 10th anniversary of 9/11 at the Taneytown Memorial Park from 4pm to dusk. This day, being the 10th anniversary, will gain nationwide attention in many communities, specifically, New York City, Washington DC and Shanksville, PA.

The American Legion Hesson-Snider Post 120 would like to offer this day as a time for all to come together, from our towns people, to county, to state to remember, honor and reflect. There will be special guest speakers, service clubs, police and fire departments and government officials in attendance. There will be entertainment, food, prayer service and a candle light vigil.

While this project is about remembering and promoting unity, it's also about raising money to purchase a memorial as a lasting 9/11 Remembrance in Taneytown.

The Legion is hosting various fund-raising projects to help offset the cost of the activities for the 9/11, A Day To Remember. A donation of \$500.00 will entitle you to be a Platinum partner, \$350.00 Gold partner, \$100.00 Bronze partner, or any amount that you can afford would be appreciated and recognized. A tax-deductible donation would

### Use Your Home to Stay at Home

If you're a homeowner age 62 and older and find it hard to cover your everyday expenses, a MetLife Bank reverse mortgage may be able to help you.

With a reverse mortgage, you can:

- > Continue to live in and own your home as long as you continue to be responsible for paying property taxes, homeowner's insurance, and maintenance of the home as your primary residence
- > Tap into the equity you've built in your home to pay for the things you need
- > Make no monthly mortgage payments—the loan is not due until the last borrower permanently leaves or sells the home\*

At MetLife Bank, we're dedicated to helping our customers maintain their financial independence, so they can focus on what's most important in their lives. Should you decide that a reverse mortgage is right for you, I will work with you through every step of the loan process.

Contact me to find out if a reverse mortgage is right for you.

## WE ARE PROUD TO CELEBRATE TANEYTOWN

On Saturday, September 17th from 9:00AM throughout the day, we are celebrating the "End of Streetscape" with a number of planned activities. It has been a few years since we have been able to have a parade and that was the one item that has been missed by many people during this street construction.

There will be a formal ribbon cutting to open the ceremonies and then "Let the Fun Begin"! So that everyone has a chance to experience and attend planned activities, we will have a shuttle bus, at no charge to riders, which will begin at Memorial Park, with pick-ups and drop offs at various designated event locations during the celebration.

A few of the activities in the planning stages are: Community Chorus, Civil War Living History, Musical Concerts, Piedmonte Walkers; along with many more events in the planning stages. Henry Heine, City Manager, has offered to chair the parade committee. Any organization, club or individual (s) interested in hosting a float, having a group walk, or participating in the parade or wanting to volunteer with the set-up, please contact Henry Heine at [hcheine@taneytown.org](mailto:hcheine@taneytown.org) or 410-751-1100x21.

We also want to thank a number of businesses who have contributed to this event, that has allowed us to make this a memorable occasion. If any of you have noticed "Pennies For the Party" jars at various business locations, you too, can contribute to this celebration, by putting your loose change or dollars in the jar. So far, the jars have collected a good sum of money.

If you have a musical group who is interested in showcasing your talents, please contact Kevin McLeod at: [kmcleod@riteofpassage.com](mailto:kmcleod@riteofpassage.com)

Remember, this is your way to showcase how our wonderful community can come together to celebrate its character, history and people.

Anyone who would like to volunteer at any of the activities may contact Nancy McCormick @ 410-751-1100x20 or [nbmccormick@taneytown.org](mailto:nbmccormick@taneytown.org)

## CALLING ALL SINGERS!

Your voice is needed for the Celebrate Taneytown Community Chorus, which is being formed to present a concert as part of the "Celebrate Taneytown . . . the After Streetscape Party" celebration on Saturday, September 17, 2011.

All voice parts are welcomed and invited to be a part of this group in preparing a fun and engaging musical program to include patriotic, popular, Broadway, bluegrass and folk songs. The Celebrate Taneytown Community Chorus will rehearse on Wednesday evenings at 7:00 PM, beginning Wednesday, August 17th; and rehearsals will take place at Trinity Lutheran Church, 38 W. Baltimore Street in Taneytown. The actual concert itself is scheduled for 6:00 PM on September 17th.

## WHITE ROSE FARM

Sally Voris, owner and farmer at White Rose Farm outside of Taneytown, recently attended a two-day conference held in Fair Oaks, California.

The conference, "The Art & Business of On-Farm Mentoring," focused on the legal and business aspects of having apprentices or interns on the farm and the joys and challenges of teaching other adults.

White Rose Farm has just been accepted as a mentor farm for the North American Biodynamic Apprenticeship Program, a two-year international program that provides opportunities for people to have on-farm work experiences learning biodynamic agriculture.

Biodynamic agriculture was started by Rudolph Steiner in a series of lectures in 1924. The approach sees the farm as a living whole and promotes balance and vitality within the farm itself. Such an approach fosters delicious, nutritious produce.

Sally completed a one-year part-time course in biodynamic agriculture from The Pfeiffer Center in Spring Valley, New York in 2007. She is grateful for the support of friends and commu-
